## **JUST (tricking, annoying, stupid, crazy, disgusting, shocking, doomed) LIVE ON STAGE!**

takes on the wonderful world of the JUST books by Andy Griffiths, vividly and hilariously bringing them to life on the stage with everything from invisibility pills and Mudmen, to vomiting dogs and death defying balloon rides.

Every year Andy's school holds a short story competition and every year Andy writes an awesome, amazing, captivating, terrifying story. But every year Andy is robbed of winning, thwarted by some dumb story about kittens and sunshine. That's because Mr Rowe is against him and the competition is rigged. Mr Rowe wouldn't know a good story if it jumped off the page and bit him on the bum. And technically, Andy's been banned from entering the competition after last year's...incident. But surely that can all be forgotten with a marvelous victory?!

With the help of his best friend Danny, the love of his life Lisa, his somewhat trusty dog Sooty and a lifetime of crazy, shocking, doomed, stupid and just plain disgusting experiences, Andy sets out on a night that will ensure a flawless victory.
